## **PETER KIEWIT FOUNDATION 2018 SUMMER FUN PROGRAM POLICY**

### **THREE STRIKES – YOU'RE OUT!**

The “Three Strikes – You’re Out” policy will be enforced again this year. “Strikes” will be issued in the following circumstances:

- 1) Exceeding the group number maximum for any field trip.
- 2) Failure to report significant changes in the group size stated in your original reservation to the host site prior to a field trip. (Significant change is considered a variance of five or more from reserved number.)
- 3) Failure to follow the required chaperone requirements.
- 4) Misconduct of the group at any of the host facilities.
- 5) Failure to cancel a scheduled trip at least 24 hours in advance unless weather dictates.

If any youth agency site incurs more than three incidents of this nature, it will be immediately eliminated from further participation in our 2018 Summer Fun program. Our host organizations are aware of this policy and will be reporting to us weekly.

We hope this policy will be helpful to all of us as we plan for a happy, fun-filled, and safe summer together.
